

20170515 Report from Streets and Highways:

-County public works continue to work on the Colima enhancement project. At this time, we expect the project to start construction in Summer 2019. They are also working on the following traffic signal projects:

-Hacienda Bl at Shadybend Dr-Install Traffic Signal- construction is tentatively scheduled for summer 2018.

-Turnbull Canyon Rd at Vallecito Dr-Left Turn Pocket- construction is tentatively scheduled for Winter 2018.

-Gale Av at Falstone Rd – install traffic signal- construction is tentatively scheduled for Summer 2018

-Hacienda Bl at Newton St – upgrade traffic signal- construction is tentatively scheduled for Fall 2018

-Walbrook Drive Et Al Pavement Preservation Project. At this time, Project expect to start construction in Summer 2017.

Thank you

Jeffrey / HHIA
