PRESIDENT'S REPORT FOR 2018

We started 2018 with a bang!

In January, our 70 year celebration! Once known as the North Whittier Heights Improvement Association we became the Hacienda Heights Improvement Association.

Throughout the year HHIA continued to have great relationships and support from our elected officials. I would especially note the participation of Ms. Lauren Yokomizo and Mr. Nick Holden of Los Angeles County Supervisor, 4th District, Janice Hahn's office. Ms. Rudy Duenas of California Assembly Majority Leader Ian Calderon's office.

In our community, we appreciate the support of our Hacienda Heights County Librarian, Amy Boteilho and our Hacienda Heights Community Center Supervisor, Olivia Perea.

The continued support of the Hacienda La Puente Unified School District led by Superintendent Cynthia Parulan-Colfer and the Board of Education.

The involvement of the Puente Hills Native Habitat Authority led by Executive Director Andrea Gullo and support by Ranger Francine Godoy.

All the special meetings and events will be covered by the Committee Chairs in their 2018 Annual Reports. All these reports will be available on line at our website.

When you see me in the community, say hello!

Have a great 2019!

Mike Williams, President
