WATER & UTILITIES COMMITTEE REPORT

Submitted by: Scott Martin, Water & Utilities Chair for March 2023 For Required Reporting in February 2023. Email: scott.martin@hhia.net

The Water & Utilities Committee provides information from the cited organizations/entities from their websites or contacts. The Water & Utilities Committee is charged with attending meetings/interacting with contacts of local agencies to stay abreast of issues affecting quantity or quality of drinking water supplies to Hacienda Heights residents. Monitors proposed construction of communications towers at locations in or near Hacienda Heights. Maintains awareness of electric utility projects involving transmission or distribution lines.

Special Notes: As Chair to the HHIA Water & Utilities Committee I will follow the Committee Reporting Schedule (see below). When reporting I will provide data for the months preceding the month I report in and data post the last month(s) reported on. I will strive to review agendas or special announcements from the organizations cited above as Resources.

Please reach out to me with specific items you would like me to research under this committee's scope as described in the introductory paragraph at the top on page one.
