[550trafficcomplaints@chp.ca.gov](mailto:550trafficcomplaints@chp.ca.gov)

**TRAFFIC SAFETY TIPS**

- Be sure to complete a pre-trip check of your vehicles, including your tire tread depth and windshield wipers.
- When it is raining, please be sure to keep your head lights on, evening during daytime hours.
- Slow down during a first rain!

**NEWS**

The mission of the California Highway Patrol is to provide the highest level of safety, service, and security to the people of California.

The CHP Santa Fe Springs Area, in partnership with Los Altos High School, the Hacienda La Puente Unified School District Police Department, Industry Sheriff Station, Los Angeles County Fire Department, and many other organizations, we were able to successfully produce the Every 15 Minutes program (impaired driver education) to the Junior and Senior Classes of Los Altos High School. This program was a two day program highlighting the dangers of impaired driving and providing impactful testimonials and information for our students.

The CHP Santa Fe Springs Area is starting a NEW SENIOR VOLUNTEER Program! Interested in serving your local CHP office? Are you 55 years or older? Available for 4 hours a week? This program is for you!

CHP Santa Fe Springs Area has a total of 10 officers in training at various phases in their training program. The first four trainees will be on their own by late April and early May with the remaining six on patrol by July!

The Santa Fe Springs Area has three Officers assigned to our Community Outreach and Program Services unit. These Officers are on special assignment, and provide specific enforcement to our school zone areas, and traffic complaints as well as community activities which include parade details.

## COMMUNITY WORKSHOP/PRESENTATION HIGHLIGHT

The California Highway Patrol Santa Fe Springs Area provides numerous workshops/presentations available to our local community. *This portion of the discussion will highlight one of the many programs available.*

### ***Child Safety Car Seat Program***

Buckling up is the single most effective thing you can do to protect yourself and your passengers in a crash. It is extremely important to make sure all children riding in your car be properly secured before every trip.

Thousands of children are injured or killed every year because their child passenger safety seats are not installed properly. Remember, most collisions occur within a mile of the home – so buckle your child in a safety seat for every trip, no matter how short.

If you're not confident of how to properly secure your child in a safety seat, contact the CHP Santa Fe Springs Area to schedule your Car Seat Appointment or email us directly at [550carseats@chp.ca.gov](mailto:550carseats@chp.ca.gov)
