

Public Works

LOS ANGELES COUNTY

Maintenance District 1 Hacienda Heights Community – Garo Street, et al.

- **Project Scope:**

The primary objective of this project is to reconstruct 5.7 miles of residential roads. The project includes the following proposed work:

- Parkway improvements
- Curb ramps upgrade
- Roadway reconstruction
- Traffic signal upgrade

- **Project Benefits:**

This project will improve quality of life for residents and lessen wear and tear on vehicles. This project will also help to preserve natural resources by using recycled and in-place materials, resulting in cost savings and reduction in greenhouse gas, energy, and landfill deposition.

- **Project Location:** Various roadways within the Unincorporated Community of Hacienda Heights.

- **Community Outreach:**

A project information flyer and a construction brochure will be provided just after the project has been awarded and a week prior to start of construction, respectively.

- **Cost Estimate:**

- Total Project: \$5,650,000
- Construction: \$3,650,000

- **Economic Impact:** Project construction supports 45 direct and indirect jobs.

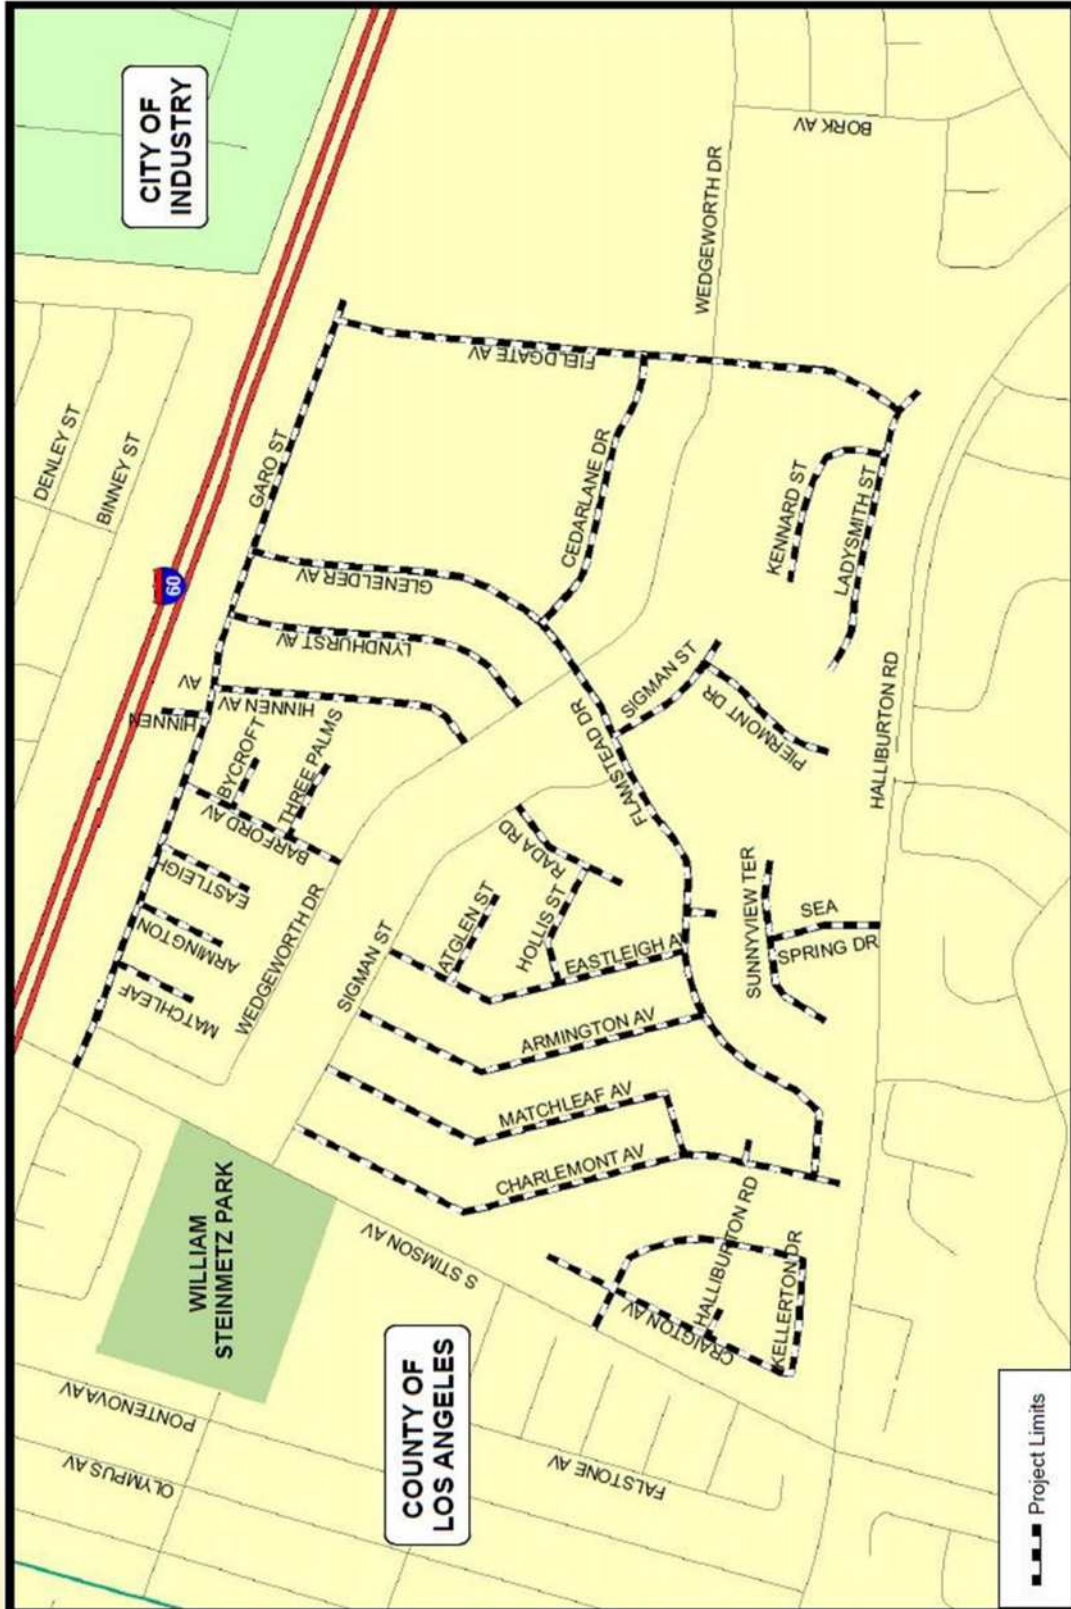

- **Tentative Milestone Schedule:**

- September 2018 – Final Plans
- December 2018 – Advertise for Construction Bids
- April 2019 – Award Construction Contract
- July 2019 – Start of Construction Contract
