

January 23, 2019

Hacienda Heights Improvement Association

Membership Report

As of this writing we have 295 Members.

We added 5 new members this month, 4 from the annual dinner/meeting.

I plan on doing a Membership renewal drive soon so as to cull those members not having renewed for the last year or two years.. Additionally, it will put us on a January to December system. The system heretofore was set up as a June renewal period.

Respectfully submitted,
