LOS ANGELES COUNTY

Maintenance District 1 **Hacienda Heights Community – Leticia Drive, et al.**

- **Project Scope:**

The primary objective of this project is to reconstruct 11.4 miles of residential roads. The project includes the following proposed work:

- Parkway improvements
- Curb ramps upgrade
- Roadway reconstruction

- **Project Benefits:**

This project will improve quality of life for residents and lessen wear and tear on vehicles. This project will also help to preserve natural resources by using recycled and in-place materials, resulting in cost savings and reduction in greenhouse gas, energy, and landfill deposition.

- **Project Location:** Various roadways within the Unincorporated Community of Hacienda Heights.

- **Community Outreach:**

A project information flyer and a construction brochure will be provided just after the project has been awarded and a week prior to start of construction, respectively.

- **Cost Estimate:**

- Total Project: \$8.48 Million
- Construction: \$6.36 Million

- **Economic Impact:** Project construction supports 79 direct and indirect jobs.

- **Tentative Milestone Schedule:**

- August 2019 - Final Plans and Specifications
- December 2019 – Advertise for Construction Bids
- April 2020 – Award Construction Contract
- July 2020 – Start of Construction Contract
