OUR POLITICAL REPRESENTATIVES AT WORK!

CONGRESSMAN GIL CISNEROS JR., 39th District

On July 21, 2019 – Sunday, Congressman Gilbert R. Cisneros Jr. along with his staff, hosted a “Constituent Open House” event for planning purposes only. His office door opened at 10:30 A.M. until 1:00 P.M. No RSVP were required, all were encouraged to attend. Those who arrived were asked to sign in at a hallway desk to meet with the Congressman in groups of 7 for a brief discussion or share concerns from their own community. It was an effective way to express concerns, receive input from our congressional representative. I could see how attentive Congressman Cisneros was in communicating on a small group basis. In Congress, he serves on the House Armed Services Committee and the House Committee on Veterans Affairs. If you missed the “Open House”, there will be many other community meetings the Congressman has committed to attend. His field representative is Erika Flores who can be reached at (714) 459-4575. Congressman Cisneros office is located at 1440 N. Harbor Boulevard, Suite 601 in the City of Fullerton, Ca. 92835. All are welcomed to stop by! His website is: cisneros.house.gov

Senator Archuleta took time to mingle, take pictures with his constituents, make formal introductions and address legislation. Did you know he was a former Presidential Appointee? Majority Leader, Assemblyman Ian Calderon, 57th District

Assemblyman Ian Calderon and his staff, took time to address the safety issue regarding “Child Car Seat” by having a free Safety Check on Saturday, August 3, 2019. The event took place outside his office located at 13181 Crossroads Parkway North, Suite 160, in the City of Industry. Invited to the safety event were Officer Jeremy Tolen from the California Highway Patrol and a few Highway Patrol technicians that made themselves available to the public beginning at 10:00 A.M. until 2:00 P.M. They checked cars seats already installed in a vehicle making sure they were properly buckled. They took time to answer any question or address parent concern or designated drivers concerns. There was an abundance of literature to share and take home.

In speaking with the safety team, I learned a 13 year old is to sit in the back seat! Did you know 73% of all car seats are improperly installed? Drive safely with your child in a car seat! If you would like to speak with the Majority Leader’s Representative, contact Ruby Duenas, Field Deputy, at (562) 692-5858 or log onto Assemblyman Calderon website for other information at: a57.asmdc.org
