Background

- A **Short-Term Rental (STR)** is an accessory use of a Host's primary residence for the purposes of providing temporary lodging for compensation for periods of 30 consecutive calendar days or less.
- STRs are most commonly booked through third party internet hosting platforms such as **Airbnb**, but can be booked through any service including travel sites such as Expedia or Hotwire, or directly with a Host.

Background

- March 19, 2019: The Los Angeles County (County) Board of Supervisors adopted a Motion directing County departments to develop an ordinance to regulate STRs in the County's Unincorporated Area.

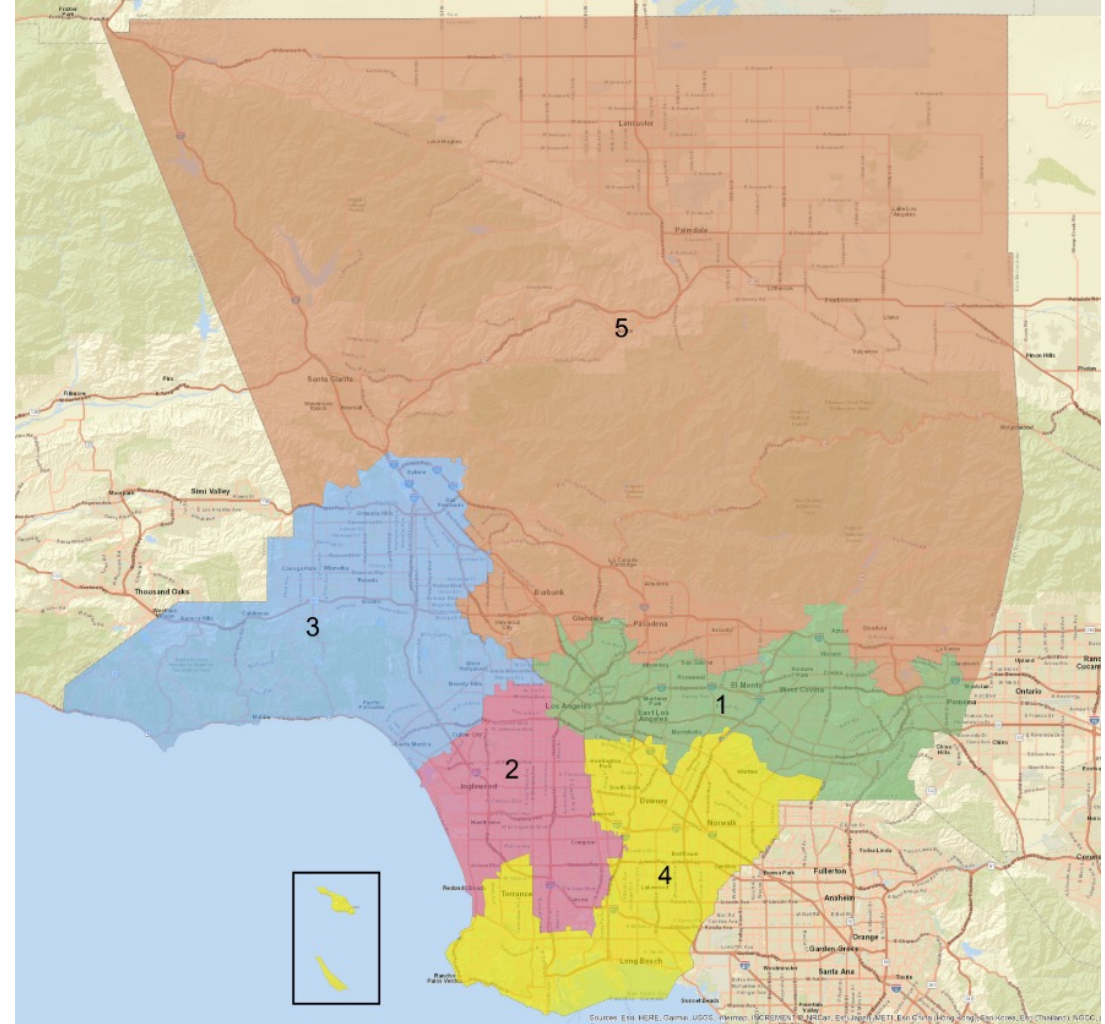

An aerial photograph of a suburban neighborhood, showing a mix of single-story and two-story houses with varying roof colors (brown, grey, white). The houses are interspersed with green trees and lawns. In the foreground, there's a grassy hillside. The overall scene is bright and clear, suggesting a sunny day.

Objectives

- Preserve long-term rental housing by limiting STR registrations;
- Ensure STRs do not become a nuisance (e.g., constituent complaints about Airbnb STR "party house");
- Protect the character of residential neighborhoods and public safety;
- Provide constituents an opportunity to generate income; and
- Secure the collection and remittance of the Transient Occupancy Taxes ("TOT").

Proposed STR Terms

- Over 1,900 STRs are estimated in the County's **Unincorporated Area**.
- **Only primary residences.** A Host may have only one **primary residence** and must reside there for **minimum of 9 months** per year.
- **No vacation homes.** To register a STR the Host must be the primary resident.
- STR guests must pay County **Transient Occupancy Tax** (12% of the nightly rate).

Registration

Every Host desiring to accept STR Guests must:

- File an application for a Registration Certificate with the County Treasurer and Tax Collector (TTC);
- Pay annual registration fee of \$914;
- Agree to County's terms and conditions on STRs; and
- Renew annually and maintain active Registration Certification with the TTC to continue renting their primary residence for STR.

*On April 30, 2019, the Board adopted the Accessory Dwelling Unit Ordinance which included, Section 22.140.640.F.2 of the County Code to prohibit the use of ADUs as Short-Term Rentals. *The above prohibition affirms the existing County Municipal Code.*

Frequently Asked Questions

- Q1. Is the proposed ordinance currently in effect? If not, when will it become the law?
 - No. The proposed ordinance is not yet part of the Los Angeles County Code (LACC). It is anticipated the TTC will present the ordinance to the County Board of Supervisors for approval by TBD.
 - Once approved by the Board, implementation of the STR ordinance will begin one hundred eighty (180) days after the effective date.

Frequently Asked Questions

- Q2. Can a single Host have multiple, different STRs listed on a hosting platform?
 - No. The proposed ordinance restricts STRs to a Host's Primary Residence, of which a Host can have only one. However, a Host is free to list their Primary Residence for STR across multiple Hosting Platforms. Additionally, a Host may not rent their Primary Residence to more than one group of guests or under more than one booking at any given time.

Frequently Asked Questions

- Q3. Will month-to-month rentals or other long-term residential rentals be affected by this proposed ordinance?
- No. Only residential rentals for 30 consecutive calendar days or less constitute a STR governed by the proposed ordinance.

Frequently Asked Questions

- Q4. Will this ordinance address “party house rentals?”
 - The ordinance will alleviate “party house rentals” by limiting STRs to Primary Residences, requiring a minimum two (2) night rental for Un-hosted Stays to prevent single night party house rentals, prohibiting Vacation Rentals, in addition to the party house prohibitions.

Additionally, all STRs must have a designated local contact person available by phone at all times to respond to complaints, in addition to the 24/7 hotline that will be part of the STR program implementation. Finally, the ordinance prohibits nuisance, including neighborhood disturbances, as part of a comprehensive enforcement structure to assist with party houses.

Frequently Asked Questions

- Q5. Who will be enforcing this ordinance?
 - The TTC, in coordination with other County Departments, will enforce this ordinance.

Frequently Asked Questions

- Q6. Why is the annual registration fee \$914?
 - The STR annual registration fee is the amount determined to be reasonable for cost recovery to administer the program. The fee amount includes administration and enforcement, maintenance of a registration system, and staffing costs.
