Hacienda Heights Improvement Association

Membership Report

As of this writing we have 289 Members.

Earlier this month I mailed to 279 new residents a package containing: a welcome and introduction letter, brochure, payment envelope and December Newsletter.

At the February planning meeting it was discussed to consider a membership drive at a heavily trafficked location staffed by a couple Directors to introduce HHIA to the residents. One possible location would be outside the Vons grocery store. We also discussed including a Chinese language version of our Welcome New Residents letter as part of our recruitment package.

Respectfully submitted,

Jim Kleinpell

Membership Chairman
