

Hacienda Heights Improvement Association Code Enforcement

Code Enforcement Report Summary--April, 2015

Code Enforcement items for your review:

- 1) Overgrowth of vegetation, 4 cases reported and 3 residences have been notified. 1 will be notified this week by County official.
- 2) Inoperable vehicles parked on lawn and driveways, 6 cases reported. Have not received any comment from County official.
- 3) Large Business oriented advertising banner reported in front of single-family dwelling, in regard to tax season. It might have been removed since tax season is over. Have not received any comment from County official.
- 4) Single family residence continued to be used for religious worship and functions. Issue goes back to 2013. Recently resolved as per Planning, but will re-open the case.
- 5) Single family residence has 10 large piles of dirt in front yard. Swimming pool is drained, no pool fence to keep people/children from falling in. Reported back in 2013. Has not yet been reported. (Oversight on my part.)
- 6) Boat in driveway. Need exact address and more details. Have contacted the person who reported this and I am awaiting answer.
- 7) Single family residence has junk, trash and debris around property. No-one has lived in residence for approx. 1 1/2 yrs. Reported but no answer received.
