Los Angeles Park and Recreation Department has requested that HHIA sponsor a Parks Needs Assessment Workshop. This is an opportunity for Hacienda Heights residents to directly influence planning and development of the Park system in the community. Results of the workshop will be compiled and reported directly to the L.A. County Parks and Recreation Department as part of a comprehensive assessment report.

HHIA involvement as sponsor will require a team of volunteers to carry out the following tasks:

1. Conduct outreach to encourage resident to attend the workshop.
2. Arrange all workshop logistics.
3. Prepare a list of potential park projects.
4. Present Community Profile Snapshot and Park Metrics dat during the workshop.
5. Collaborate with workshop participants to expand the prepared list of potential park projects.
6. Conduct a voting exercise with participants to prioritize the projects on the list.
7. Document the list of prioritized projects to be submitted.
