Pauma November 11 8:00 am-5:00 pm \$15.00

Orange Grove Park 14517 Orange Grove Avenue

Accessibility Issues- **Park closed on weekends.** This issue has been resolved effective last weekend. The issue was with the gates being locked. Since access to the park was through school property, the school district was slow in getting keys to the Park Department. The Park Department now has the keys and the park will be open on weekends.

Parking Issues- **The gates will be locked at dusk.** Currently the Park Department is finding that people are leaving their vehicles in the parking lot after dusk. The Park Department has not been locking gate so as to allow the cars to leave. As soon as it has been determined who will be available to unlock the gates if people are locked in and proper signs posted, they will be begin locking the gate at dusk.
