

Streets and Highways Report, Nov. 2015

Submitted by Jeffrey Lin

1. The Colima enhancement project is expected to start construction in late 2017. The limit of the project is along Colima from the City of Whittier Boundary to Fullerton Road in Rowland Heights.

2. The draft EIR for the Gale and Hacienda Blvd intersection widening project is scheduled for public review in late 2015. Public works will seek grant funds for construction after the project is designed.

3. Public Works has awarded the construction contract for Hacienda Blvd beautification project. They are anticipated construction to start in late 2015.
