### Metropolitan Water District Rebates:

<http://socalwatersmart.com/>

The SoCal Water\$mart 2014-2015 commences on June 1, 2014 and ends on June 30, 2015 for Metropolitan Water District's residential water rebate customers. All of the same products and rebates from the previous program are still available. There are no changes in the requirements from the previous program and rebates offered by local water agencies are available through the "Estimate My Rebate" tool.

Effective June 1, 2014, rebate incentives are being enhanced for High Efficiency Toilets with a 1.28 GPF to \$100.

Effective May 14, 2014, turf removal rebates are being offered starting at \$2.00 per square foot.

Effective October 15, 2013, rebates are being offered for [Rain Barrels](#) and [Soil Moisture Sensor Systems](#).
